### *Procurement Strategy for Aboriginal Businesses (PSAB)*

*The PSAB works to help Aboriginal firms do more contracting with all Federal Government departments and agencies and assists Aboriginal Businesses to gain access to the overall procurement process.*

*The PSAB, while led by Indian and Northern Affairs Canada (INAC), is a Government of Canada initiative. All federal government departments and agencies are encouraged to participate in this initiative.*

#### *⇒ Did you know?*

*Turtle Island Staffing is a certified PSAB qualified supplier.*

#### *⇒ How does PSAB Set-Aside work?*

*When a contract is reserved for Aboriginal competition, the department or agency indicates in its advertisements or request for proposal that the requirement is set aside for Aboriginal suppliers in accordance with the PSAB.*

*Bids are prepared and submitted by Aboriginal businesses, and are evaluated in keeping with the principles of federal government contracting, fairness, openness and best value for the Canadian public.*
